Just a Reminder

You are always welcome at Brompton Heights! If visiting before 8:00am or after 8:00pm please ring the bell to the right of the main door.

Dorothea enjoys an evening in the Emerald City with her family at our OZ family party.

Our Brompton chorus did another fabulous job at our recent concert.

On June 9th we celebrated the Hamister 40 year birthday. After forming the 4 0 we headed in for cake and music. Congratulations to our corporation. Here's to another 40 years!

We recently took a trip out to our sister community, Orchard Heights. We were treated for lunch and afterward had a banana split competition. Everyone was a winner!

A LETTER FROM YOUR RESIDENT COUNCIL

Where did the summer go? This is our time for planning and purpose. August is our eighth month of the year. The moon is the only natural satellite of the earth, and the fifth largest moon in the solar system. We have had many cold rainy days this summer. Thanks to our activity management. We have many activities. We have surprise trips, shopping and music at night. I don't know about you, but I approach this time with excitement and sometimes with mixed emotions.

We worry about all our families changing their routines, going on vacations, swimming, amusement rides and many other things. A little planning can go a long way. As the month rolls on, we have many things to do. Why not write a letter to a friend you haven't heard from in a while? Write a diary of your day and you'll have something to read what you have done on your special days. Get involved with friends. Friends are like stars, you don't always see them laugh, but you know love on their face. We can also go outside in our beautiful courtyard and watch the flowers grow.

The old farmer's almanac says we have the dog day of summer beginning July 3rd, 2017 until August 11, 2017. For any other information on activities, look on our daily sheets. Pray for good weather. Residents, please attend our monthly council meeting at the end of the month. Management is always there and we can discuss anything on your minds, that way we can try and solve your problems. I will announce at lunch time the day of the meeting.

Whatever faith, prayer helps our lives run smoothly. Unless we are happy with who we are...we will never be happy with what we have to do.

May God bless and love my beautiful family and all of your family.

Meet Melvin Howard, “Chief”, our Resident of the Month. Melvin was born in Queens NY and moved upstate as a boy and raised in the Hudson Valley. After graduation he headed off to school in Minneapolis for aviation technology. During the Vietnam era Melvin joined the Coast Guard and was stationed for 14 months on a ship. After serving 22 years, he retired as Senior Chief. Upon retirement Melvin worked as a liaison with military services. He is married and has two daughters. Congratulations Melvin for being selected as our Resident of the Month!

PEAK PERFORMER OF THE MONTH

Sam Hunt has been selected as our Peak Performer for August. Sam has worked here in the maintenance department for 10 good years. He grew up in Somerville, Tennessee and came to Buffalo in 1965. After serving 4 years in the Airforce, he came back to Buffalo in 1970 and started his 34 year career at General Motors. Upon his retirement, he started his journey here at Brompton. Sam has a great disposition and always a smile on his face. He is always ready and willing to help out our residents and co-workers when he can. We are proud to congratulate Sam for his dedication to his job and to Brompton Heights. Thank you Sam, this is well deserved!

NEWS YOU CAN USE

I big thank you to all residents and staff who helped with so many preparations for our Wizard of Oz Family party last month!

.....

Don Mazur was the winner of our doll house. It was built by our tinkerer’s club over the last year and a half. It came in handy as the house that landed on the wicked witch of the East for our Wizard of Oz party. All proceeds support the Alzheimer’s Association. Congrats Don!

.....

If you enjoy playing cards, please let the recreation staff know, as there are a few folks that would love to get a group together.

.....

If anyone has a desire to lead a group or present on a topic we are looking for interested residents or guests who would like to take part. If interested please see Debbie. August is peach season, let us know if you have any good recipes.
