JANUARY 2018

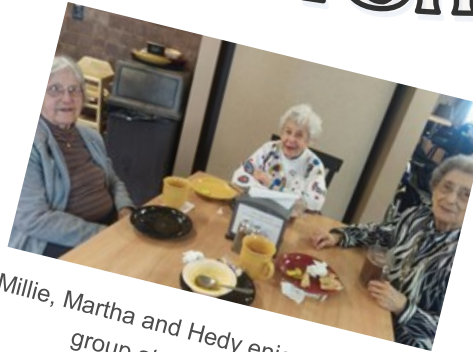

Caring IS OUR PRIVILEGE.

1. What bird has the same name as a machine that lifts objects?

Happenings at Brompton

Jennifer presented "this is your life" with Dave Groke as Santa. She read his bio to the group and allowed them to guess who it was.

Millie, Martha and Hedy enjoy lunch with the group at St. Gregory's Café.

We were lucky enough to have the Karen Kelly dancers back for our Holiday Open House. They were fantastic!

A'Diamond won 1st place in the door decorating contest. Here she stands next to her "naughty" list.

The kids enjoy making and taking a Christmas ornament at our Holiday Open House.

A letter from the Administrator

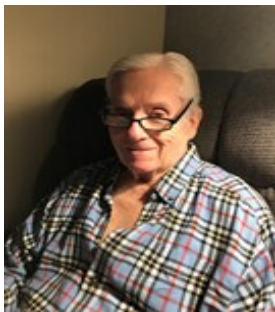

It has been my pleasure to meet so many of you over the past couple of weeks as I begin my journey at Brompton Heights! For those of you I have not met, I encourage you to stop by or call me so that I can continue to meet all the residents and families I am here to serve. You will find one of my strengths lies within communication and follow up so please let me know how I can be of assistance with any area.

As I have mentioned to many of you that I have had the pleasure of meeting, I am confident and excited to bring my 17 years of healthcare and human services to our community over what I am sure will be a very long tenure. I look forward to seeing all of you at the many fun activities planned at Brompton for the upcoming year!

I hope this holiday season has been one of much peace, love and happy moments for you and your family.

Resident of the Month

Gene Hanavan is our chosen resident of the Month for January. He has been at Brompton for about a year now. Gene loves his cats, crossword puzzles and music. He sings in our Brompton chorus.

Gene is originally from North Buffalo and has one daughter and a very dear friend, Maryellen.

Congratulations Gene, well deserved!

Peak Performer of the Month

Patrice Small has been chosen as our Peak Performer for January. She is a PCA and Med Tech and has her HHA and CAN certificates and is working on becoming an LPN. Patrice loves caring for others and enjoys coming to work. She works mainly in our Kerr Hall with our memory care residents and considers them her family. Patrice is the mother of six and loves skating, reading and riding her pink Ninja Kawasaki bike.

Congratulations Patrice!

A note from Mary - Resident Council President

Happy New Year to you all! It's a great time to "turn over a new leaf" or learn something new, or pick up a new hobby. Attend a program in recreation that you haven't been to before...

Try to wear a smile when you can,- turn your frown upside down.

Let's make this a great new year. Here's to 2018!!!

Love & prayers, Mary

News You Can Use

A big thank you to all who participated in the door and unit decorating contest last month. We have many talented visionaries here who carried out some great themes. In the door category; 1st—A'Diamond, 2nd—Taralyn & Lisa (Williams door), 3rd—Joe's door (business office). Units; 1st—E-1, 2nd—Kerr Hall, 3rd—South.

Also a huge thank you to all those who helped with our Old fashioned Holiday Open House. We couldn't have done it with out you. We had a great turn out and couldn't have asked for a better day.

Just a reminder—if you sign up for an outing and are an enhanced level 1 or 2, please see someone from the recreation department as they will have to arrange for an aide to accompany you.

Please note that if there are less than five residents signed up for an outing, the outing will be cancelled. However in this case, the recreation department has the ability to change the location of the outing at the last minute to appeal to five or more residents wishing to go out.

Happy Birthday to everyone born in JANUARY
