A letter from the Administrator

Let me begin by saying Happy Holidays to all of our friends, families and residents. I am looking forward to spending the holiday season with all of you and we appreciate our relationship with you.

Dr. Smith was a great asset to Brompton Heights and many of you know that his last day as our Medical Director was last week; we will miss him greatly.

It is my pleasure to announce our new partnership with IPC and more specifically Dr. Steven Buslovich our new Medical Director. More information about Dr. Buslovich can be found in this newsletter. In addition to Dr. Buslovich, this partnership also includes Megha Patel, Nurse Practitioner with IPC and another great addition to Brompton Heights medical team.

If you have any questions regarding our new medical team members please feel free to reach out to me or any of our nurse managers for information.

Resident of the Month

Jane was born and lived in Buffalo and Amherst all her life. She married her high school sweetheart and they had 66 wonderful years together. They raised three children and have four grandkids and two great grandkids. Jane loves to cook, sew, craft and laugh! She has always been the life of the party. She's been at Brompton only three months and has already made many new friends!

Congratulations Jane, for being our Resident of the month!!!

A note from Mary - Resident Council President

I would like this opportunity to thank all the residents, families and staff at Brompton Heights and extend my warm wishes for this holiday season. As we approach the holiday and everyone is running around to find the perfect gift we must remember that “perfect” gift is not found under the tree, but in the hearts of true friends. As God makes Christmas happen, friends make Christmas beautiful, music makes Christmas festive and love makes Christmas complete.

I send you all my love. May God bless you always and always... Mary
