Happenings at Brompton

The Colgate Thirteen came in with their talented voices to entertain us. A 75 year tradition at Colgate University, these young men, their top vocalists, go out on the road doing concerts.

These are just a few of the hippies we found wandering through out the halls on hippie day in during Assisted Living Week!

We headed out to the Niagara Culinary Institute last month for a lovely lunch and tour.

It was great to get out for a good old fashioned hamburger at Wendy's!

A letter from the Administrator

It is so hard to believe we are in the fall season. I am hoping everyone enjoyed their summer.

Just a few items as we enter Flu season. First of all please get your Flu shots, we will have them available

September 29 and again October 10. I urge everyone to participate as it is so valuable especially in a community.

I am also very excited about family night October 18 @ 7:00, please attend if possible.

I am so excited as we are entering the time for our dining room and full lobby renovation. It is beautiful! It will be wonderful for all to enjoy.

Lastly please let us know if we can assist or address any concerns you may have.

"Count the garden by the flowers, never by the leaves that fall. Count your life with smiles and not the tears that roll."

Warm regards,
Tina

Resident of the Month

Dorthea Holdaway is our Resident of the month for October. She has been at Brompton for about a year and is always friendly and helpful to others. Dorthea was born and raised in Calcutta, India where she met her husband who was in the service. She worked as a secretary for the Air Force. The two married and moved to the United States. They had ten children; seven daughters and three sons.

Dorthea said the most important thing as a mother was that all her children go to college, which they all did.

Congratulations Dorthea on this well deserved recognition!

Terry has also been a dedicated member of the New York State Athletic Commission as a boxing judge for several years.

Terry loves to go shopping and also has a career in fashion design .

Congratulations Terry, and thank you for your dedication and professionalism.

A note from Mary - Resident Council President

Happy Fall to all my residents and staff here at Brompton. The days are getting shorter and soon summer will be just another memory. The leaves are changing and always ever so beautiful.

As your President, please always remember you can always bring me any concerns you may have.

Also it is important to know that our Resident Council Meeting is always the last Thursday of the month. Residents meet at 2:30pm to discuss what is on our minds and then all the management team joins us at 3pm for the meeting.

Enjoy all the upcoming beautiful colors that our trees are going to produce, the splendor of God's creation... Mary
