#1 Trivia: What 1950 TV legal drama starred Raymond Burr?

A letter from the Administrator

I would like to start out by saying how excited I am to have joined the Brompton Heights family, and thank you for the warm welcome. It is without a doubt one of the warmest communities I have experienced with both resident's and staff.

I come to Brompton Heights with high expectations of success for all of us. I have many years of senior living experience, mostly at one facility. I live in Batavia with my husband, and have 4 grown children. I am also blessed with 4 grandchildren.

As I get to know all of you, please stop by and say hello if we have not met already, and again I am so pleased to be here with all of you!

Warmest regards,

Tina

#2 Trivia: Who closed her variety show by tugging on her earlobe?

Resident of the Month

Anita has been a resident here for about 3 years. She was born and grew up in Clarence Center. After graduating from Buff State with her Masters, Anita taught Elementary grades in the Sweethome and Clarence Schools. She taught writing programs and was also a teacher at Buff State. Anita was married for 49 years to a wonderful man, and just as they were ready to celebrate their 50th, he passed away. Anita loves to journal, she says it's therapeutic.

Congratulations Anita for being our Resident of the Month. Thank you for your kindness and always wearing a smile.

Peak Performer of the Month

Glorianne was born & raised in Alden. She has been married for the past 41 years and has three children & grandchildren. She has worked at Brompton Heights for the last 15 years. She loves making the residents happy & engaging them in activities. Recently the residents helped her decorate the Kerr Hall patio with many beautiful flowers, which they all now get to enjoy! When she's not at Brompton Heights, Glorianne loves gardening, traveling and going to concerts, as well as spending time with her grandchildren.

Glorianne always lends a helping hand when needed and goes out of her way to make resident's lives less stressful with her sunny personality. She is an asset to our recreation team!

Congratulations Glorianne for being our extremely well deserved Peak Performer of the month.

A note from Mary - Resident Council President

The air is different today. School Days, School Days, he wind sings with a new time sighing of changes coming. Tis the last rose left blooming alone, all her lovely companions are faded and gone. The upcoming Labor Day marks the end of another summer. September is the ninth month and leads us into Autumn. The birthstone is a sapphire and the flower is an Aster.

We celebrate many holidays in September; Labor Day, Grandparent’s Day, Patriot’s Day and Rosh Hashanah.

Often people try to get one last summer trip in before Labor Day, when the summer comes to an end. Then we can look forward to football season to keep us occupied.

Those of us that have been here awhile, find a new resident and introduce yourself, give them a warm welcome. Don’t forget a smile is the prettiest thing you can do. Love to all of you, smile-pray. .. Mary
