**JULY 2018**

## Happenings at Brompton

*Caring* IS OUR PRIVILEGE.

This was the only car that made it to our Annual Car show and hot dog fund raiser! It was the first time in 12 years to get rained out. We still had a lot of fun dancing to the oldies with Lyle Stang.

We decided to give the hot dogs to all residents, staff and guests that came out for the car show. We still held the basket raffle and 50/50 and raised a few funds for The Alzheimer's Association.

Our recent picnic outing to Olcott Beach was a lot of fun for all. The weather was as perfect as the company!

## A letter from the Administrator

Dear Residents and Families,

Wow! It's July and summer is in full swing. I hope that you are enjoying family time and BBQs. The kitchen will be making Chiavettas chicken for July 4<sup>th</sup>! If you want to come and enjoy a meal with your loved one just call the reception desk and make a reservation. We are working hard here at Brompton Heights to continually improve the care that we provide to your loved ones. I want you to know that my door is always open so please come and see me to say hello or reach out if there are any issues. I want to work as a team to make our residents lives as comfortable and enjoyable as possible.

My wish for you this summer is to be able to take some time off and enjoy the sunshine. Happy summer!

Tricia Dusett  
Administrator

## Resident of the Month

Anthony Castiglia is our Resident of the Month. He is so very kind and helpful in so many ways.

Anthony was married for 67 years. He has two sons and several grand and great-grandchildren. He was a vocational tech teacher in the Buffalo school system for 25 years. He has resided here at Brompton Heights for the last 5 years.

Anthony loves to be creative and had made several woodworking projects. It's his nature to just be helpful...

## Peak Performer of the Month

Claire Crowley is our Peak Performer for July. She grew up in Eden and is the oldest of six kids.

She is currently in her 2nd year of nursing school, and eventually would like to pursue a Masters Degree and work as a Gerontology Nurse Practitioner.

Claire has worked here at Brompton for six months and she loves her residents and co-workers. Claire's care and compassion with our residents is clearly evident.

Congratulations Claire!

## Highlights for July

We have some fun planned for the 4th of July ~ Ron Gentner will be coming in for chorus, be prepared to sing a lot of patriotic songs followed by some celebrating.  
In the evening we have Jim Caputa coming in to perform some 4th of July favorites.

.....

Please be sure to plan on joining the next Resident Council meeting on Thursday July 19th at 2:30pm for the pre meeting, and 3pm for the meeting

.....

Ken, the Dining Service Director is putting together a wonderful picnic lunch for the 4th of July; Chivetta's chicken, baked beans, potato salad, and corn.

## A note from Dave - Resident Council President

First I want to apologize for missing last month's meeting.

I have created a new booklet for the billiards room on how to play and rules for pool, darts and other games. If anything should get damaged or broke in the billiards room, please let me know.

Bocce is in the process of being implemented if anyone is interested in playing.

Please let me know of any concerns or ideas that you may have.

Regards, Dave

## News you can use

While enjoying the nice hot weather, please be sure to drink enough water through out the day so you don't get dehydrated. Ken puts out a beautiful water container with fresh fruit infused everyday!

.....

Please see staff for hats or sunscreen if you plan to sit out for very long. Protection is important.

.....

We now have the horseshoes available. If you or any guests would enjoy playing, please ask a recreation assistant to get it out for you. It is scheduled on the rec calendar as well.

## Happy Birthday to everyone born in July
